

CONTEXT

In December 2019, the European Commission committed to the review of the Non-Financial Reporting Directive (NFRD) to strengthen the foundations for sustainable investment. Last year, the EC launched a public consultation to collect the views of stakeholders and prepare for the launch of the legislative proposal, foreseen for April 2021.

ABOUT THE EVENT

The event is reserved to our members and will provide participants with insights into the European Commission’s proposal and the next steps of the legislative process. In this webinar, we will take the opportunity to discuss with policy makers and experts about the EC’s proposal that will review the NFRD and companies will be informed about which changes this reform will bring as well as share their feedback and exchange about the challenges ahead.

Who should join:

- Companies that want to be updated on the legislative proposal of the Review of the Non-Financial Reporting
- Business organisations and National Partner Organisations
