

## AGENDA

# EU Webinar – EU Update on a Future Social Taxonomy

05.05.2022, 11:00 – 12:30 CET

## CONTEXT

On February 28, the European Commission's Platform on Sustainable Finance (PSF) Subgroup 4 has released the final [Report on Social Taxonomy](#). Based on the work undertaken in the past two years, this final report proposes a structure for an EU social taxonomy, in line with the current legislative environment on sustainable finance and governance.

CSR Europe members are invited to join this webinar to better understand the impact that the social taxonomy could have on companies.

## ABOUT THE EVENT
