

Collaborate with Japanese companies to progress on SDGs implementation

INVITATION TO CSR EUROPE MEMBER COMPANIES

November 6 & 7, 2017

Keidanren Building, Tokyo, Japan

Japanese-English simultaneous interpretation

Overview

Collaboration is the key driver for impactful implementation of the SDGs.

Within the frame of the EU-Japan Business Dialogue, the Keidanren CBCC (Council for Better Corporate Citizenship), Japan Business Council in Europe and the Japan Business Policy Forum, together with CSR Europe organise a **Japan – EU Leadership Initiative** on the delivery of the UN Sustainable Development Goals.

During the meeting, **Keidanren** (Japanese Employers Federation); **METI** (Japan Ministry of Economy, Trade and Industry) and the **European Commission** will outline their respective SDG programmes for the upcoming year.

The goal is to explore the opportunity to launch a joint innovative project between leading European Japanese companies on implementing the SDGs.
