

# Webinar: Introduction to non-financial reporting and investors engagement working groups

Learn about the content and how to engage in the sustainability management working groups

When: 15<sup>th</sup> May 2018, 10:00-11:00 CEST

---

CSR Europe is setting up two working groups within its project on CSR and Sustainability Management and Transparency to better structure its learning network activities. The working groups aim at addressing better companies' needs by targeting individual challenges and requesting direct feedback. At the same time, each group will set a common challenge and goal and work towards practical outcomes.

The webinar aims at presenting the two working groups and collecting members' feedback on the deliverables. The two working groups will focus on 1) Non-financial reporting and 2) investors engagement. Join this webinar to:

- Better understand the topics of the two working groups and learn about background information and external context
- Get an overview of identified challenges, suggested deliverables and approach;
- Provide feedback on: the challenges related to the working groups, deliverables, activities and participation.
