“We work together towards a CARBON NEUTRAL, SUSTAINABLE & CIRCULAR ECONOMY, where sourcing and processing of materials takes place with respect of all human rights”
“We endeavour to make sustainability driven investments through enhanced TOTAL IMPACT DISCLOSURE the new normal”
Together, we are calling to Businesses, Policymakers, and Civil Society Organisations to join forces in action:

* To innovate business models and accelerate transformation by tackling climate change and enhancing social inclusion through an overarching sustainable Europe 2030 strategy.
* To engage in a critical but trust-building dialogue
* To create collaborative platforms and finance models
* To transition towards sustainable production and consumption patterns
* To stimulate and promote strong education at all stages of life
* To increase societal participation and civic engagement
* To spearhead shared standards

EXECUTION OF THE CEOs CALL TO ACTION: THE PACT 4 SUSTAINABLE INDUSTRY

Business leaders hand in hand with their industry federations are joining forces in the European Pact for Sustainable Industry to:

1. Embed sustainability into the strategies and business models of EU enterprises and their industry federations;

2. Take collective action in the form of Collaborative Platforms, both sector and cross sector, to speed up the development and implementation of scalable solutions in light of the Paris Agreement on Climate and the United Nations’ SDGs;

3. Contribute to the European sustainability dialogue with civil society and policymakers to implement an ambitious and overarching Sustainable Europe 2030 Strategy.
