

# CSR Europe Events and Activities 2017

Realise the enterprise of the future through Enterprise 2020 - explore the diagram below to find out more about our events and activities for 2017

# The European Pact for Youth

The European Pact for Youth is a mutual engagement of business and the European Union leaders. It brings together representatives for business, education and youth, and the European institutions in order to boost the number and quality of business-education partnerships for youth employability and inclusion.

# Management and Transparency

The Management and Transparency project aims to support companies to integrate sustainability into their governance and business models. We believe this can be achieved by working together with companies on the integration within their management and reporting practices as instruments to integrate sustainability

No events are available at the moment.

# EU Relations and Policy Dialogue

CSR Europe is committed to mainstreaming Corporate Social Responsibility (CSR) and sustainability in European Union (EU) policies. Our ambition is for EU policy dialogue and collaboration between business and the EU to accelerate the development of a smart, sustainable, and inclusive society.

No events are available at the moment.
